

Pallet Band Clip Series

The Power of Pallet Bands

From inter-warehouse transport to racking storage, Encore Packaging's new and innovative pallet band accessories are designed to make your warehouse safe and efficient with re-usability in mind.

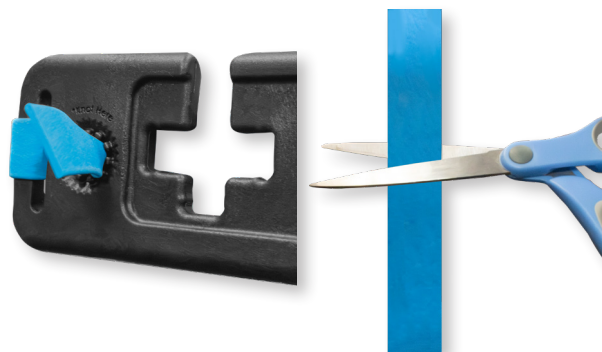

EP-5000-HD HD Pallet Band Clip Set

Make the Most Out of Your Pallet Bands

Boost efficiency and control with this heavy-duty accessory, built to pair seamlessly with a pallet band for secure inter-warehouse transport or staging. Its innovative interlocking design lets you fine-tune tension and strength without the need for extra bands. Rugged, reliable, and easy to use—it's engineered for long-term performance in demanding environments.

Features:

- Sold in 2 pcs per set (1 main / 1 spatula)
- Compatible with all pallet bands
- Reusable and durable (simply re-tension by pulling band through and tying off another knot)
- Good for 200 - 300 uses
- Pallet band easily replaceable
- Add EP-5012 | EP-5014 Erasable Placards to label and organize your loads! (sold separately)

Simply cut the pallet band to use with the clip!

Pallet Band Clip Kits

EP-5806

Pallet Rack Safety Band Clip Kit

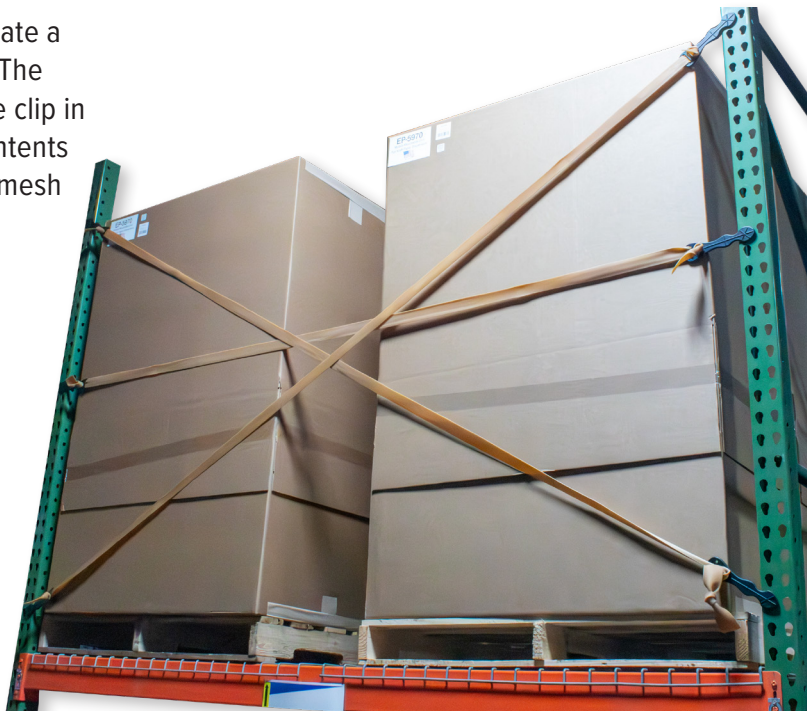

PATENT PENDING

Simple & Safe Storage

These unique clips pair with a pallet band to create a safety band system for your shelves or racking. The special lock and key system securely fastens the clip in place on the racking, making sure your shelf contents are secure and in place. Use this kit to create a mesh system or customize to what you need.

Features:

- Each kit comes with 2 clips (E5806-01) and 1 band (EP-5484)
- Reusable and durable (simply re-tension by pulling band through and tying off another knot)

The key can only be removed when parallel with opening.
Otherwise, it is locked in place and secure.

Pallet Bands

Pair the EP-5000-HD with our lineup of Pallet Bands. Our bands are strong, flexible, and eco-friendly. Made out of 80% natural rubber (crepe), the band can replace the use of stretch film and can be reused multiple times.

Features include:

- Environmentally friendly
- 1.85" joint overlap
- 80% natural rubber (crepe)
- Reusable
