

P12PC2

Pre-Cuts

The P12PC2 Pre-Cuts are made from 100% Polypropylene and measure 1/2" x 17'. Its consistent length and reliable performance make it a preferred choice for businesses aiming to streamline their packaging operations and enhance productivity.

These strong and durable pre cut straps are made for light duty application (e.g. warehouse storage, package bundling, pallet stabilization, agriculture) and come in seven different colors. The color options make it great for identifying and sorting your loads. With the included plastic buckle, you can manually hand tension and seal the strapping, no tools required!

Features:

- Size Option: 1/2" x 17'
- Gauge: 0.025"
- Color Options: 7
- 100% Polypropylene
- Portable
- Includes buckle
(no tools required)
